

SPELL

PLAYGROUPS

A Playgroup provides care for children between the ages of 2 and 5. In general parents/carers leave their children at the playgroup and the children are cared for by Childcare Staff. There are different types of Playgroup that offer provision within South Lanarkshire.

Registered / Non-Registered

This is whether they are registered with the Care Inspectorate or not. SPELL encourage all Non-Registered Playgroups to follow our Quality Assurance Programme which supports good practice within the Pre-5 Sector. On successful completion the group will receive a certificate from SPELL.

Non-Registered Groups are not able to run over 2 hours a day. They are mainly play based however may also follow The Curriculum for Excellence.

Staff at both Registered and Non-Registered Groups are fully disclosed by being members of the PVG Scheme.

Partnership Pre-5 Groups

These are Groups that are in partnership with South Lanarkshire Council and offer funded places. They may be known as Playgroups, Nurseries or Pre-Schools and are all registered with The Care Inspectorate. They are required to follow The Curriculum for Excellence.
